

# INTERCEPTORS

## Selection Check List

This check list of interceptors is provided as a guide to selection of the proper type interceptor to control specific waste materials. First determine the waste material to be controlled, then follow the check marks for the types of interceptors recommended.

TYPE OF WASTE MATERIAL	TYPES OF INTERCEPTORS										SOLIDS INTERCEPTORS									
	GREASE INTERCEPTORS					OIL SEPARATORS														
	AUTOMATIC		SEMI-AUTOMATIC			MANUAL				AUTOMATIC
